Genre: Indie, Strategy

Developer:

Handelabra Games Inc.

Release Date: 5 Feb, 2015

b4d347fde0

English

---

I am not a composer or music fanatic, but every volume adds more fantastic music that is great for playing when my group gets together for the physical version of the card game. I initially had some issues finding the soundtrack, but most Windows users should be able to locate in:

steamapps\common\sentinelofthemultiverse\soundtrack.
